# WHAT IS THE CO-OP?

The TACC Community Co-Op is the sponsorship campaign that we do once every year to secure support for our programs and events throughout the year. Each year returning sponsors get first right of refusal from sponsorships purchased the previous year. This means if you like what you purchased and the value it provided your business, you get the choice to renew and purchase that sponsorship before it is offered to any other business. After the renewal period, all sponsorships become available for all businesses. Don't miss your chance to secure your favorite sponsorships!

This year, we want to offer more benefits when you decide to sponsor an event or program. Any sponsorship purchased will also receive the additional value of:

- Shoutout in our Chamber Chat Newsletter
- Exclusive blog written about your sponsorship
- Recognition of your support on our social media platforms

With all this value available, be sure to contact us to show your support for the community and secure your sponsorship today!
