

The Chamber Choice Rewards Program is a great way to give back to fellow members, support one another, and set your business a part by offering product or service discounts. Our goal is to encourage members to "Choose Chamber" when deciding where to do business, while also driving more customers your way. When a customer presents their Chamber Choice Rewards card at checkout, you provide the agreed-upon discount. Cards are color-coded each year and are purchased October-December to be valid for the following calendar year (January-December).
