

The Chamber Choice Rewards Program through the Tahlequah Area Chamber of Commerce is an opportunity to give back to other members and support each other while also setting your business apart from others by offering a discount for products or services. Our hope through this program is that members will decide to "Choose Chamber" when they are thinking of those whom they need to conduct business with. This program is a great way to drive customers to your business! When a customer shows you their Chamber Choice Reward card at the time of purchase, you provide the agreed upon discount listed below. The card will change colors each year and must be purchased in June-July of each year to be active from January 1 to December 31 of each year.
